

The Arnie Wolff Sports Complex Action Team

January 2012 Newsletter

The Year Building Construction Begins With You

Building Green Bay's First Soccer complex will only be successful if you're a part of it. 2012 is the year that we start putting it all together. It can't be done without your help. Everyone has something they can do to help. The Fundraising Committee-

- Buy a brick.
- Solicit businesses for contributions.
- Help in fundraising events.
- Distribute information about events and tell friends.
- Business donations, monetary or materials will get honored at \$500 on the sign on the building.
- Circulate this email newsletter to all your friends.

Building Committee-

- Help us find materials at cost or less.
- Help us haul the materials.
- Help with building construction.
- Be a crew leader.
- Find us services that can help.

"The Bricks"

Fundraising is always a challenge. The Building committee came up with a plan that will help build the concession stand and continue to help build the Sports Complex. The bricks are an affordable way that soccer families can honor and immortalize their loved ones, soccer players, families and coaches. The majority of the brick donations go to the concession stand and continue to advance improvements at the Arnie Wolff Sports Complex after the concession building is built.

The bricks will line the pathways at the complex so they will last for decades to come. We hope you will take advantage of this opportunity to help build Green Bay's soccer future.

The Concession Stand

After several plans were considered, the winner is the building that will resemble the East High School concession stand. When building a concession stand, a very important consideration was the cost of the plans. We were able to get these plans at a very reduced cost, free. This enables us to put more of the funds we have towards the building.

The plans were free, however, we had to adapt the building to our site and it's usability for our clubs and the parks department requirements. Our project manager, Katrine Wygle, and former Strikers President, Joe Westberg, worked with the architect to get the needs of the AWSCAT building committee accomplished.

After months of searching and investigating plans, the building can now move to the materials and services acquisition phase. Construction phase starts spring of 2012, with completion in June.

Helping Our Community Provide Opportunities For Our Children To Participate In Enjoyable Healthy Activities.

Humboldt Road

Join the over 2000 kids, their parents, and community leaders, in helping a vision for the future of Green Bay Rec. Soccer happen. With your support and helping us build the concession/restroom building, we will be able to reduce registration costs and continue to build our soccer programs. Please consider helping us with this upcoming sport.

Thank you so much.

Get involved, volunteer time on projects, help build and follow our progress at our website!

Our Email

arniewolffsc@gmail.com

We encourage you to visit our website and follow our progress. We also have a Soccer Skills page that compiles videos and resources for soccer coaches and players. This is Green Bay's first soccer complex, it is something to get excited about and become a part of.

We understand the gift of your contributions are not to be taken lightly. We are planning to display a plaque on the concession building. It will give your company name or family a fitting area of presence to show the community of your kindness to the children of Green Bay, by supporting the construction of Green Bay's first soccer complex.

Before the final production of the plaque, your approval will be requested. We would like to thank you in advance.

Recognition Of Your Contribution
Is Important To Us

We Appreciate Your Help!

For the last 3 years, volunteers have been working to help us get funds for the construction of the Arnie Wolff Sports Complex concession building.

Under the direction of Dave and Amy Winzenried and assisted by the parents, players, their families, firefighters and friends, a huge impact was made on the fundraising efforts. Working with PMI for Packer games converts volunteer time to dollars for the AWSC Effort. Even on Christmas and New Year's Day this year, the Striker's crews showed up in full force. When other crews were short of help, the Striker's brought extra. We salute these gallant efforts.

January 2012 Is Striker Soccer Registration Month

Dates are: Jan. 19th, 21st, 24th, and 31st

Join the Arnie Wolff Sports Complex effort. We will be signing up volunteers for different projects and efforts at the January Striker Registrations events. We will be selling Arnie Wolff Sports Complex / Green Bay Firefighters T-shirts for a special price at Striker Registrations.

We will have a signup sheet for persons who would like to work in the concession stand once it is completed. Another signup sheet will be for volunteer shoppers! We need people to help us find and acquire items for the building.

When completing your Green Bay Strikers soccer registration, at the bottom of the Striker's form you are given the opportunity to donate to the AWSC effort. Just add any amount you may want to give to help. Your donations are always appreciated.

The AWSCAT is a volunteer effort to work with the Green Bay Parks Department to help create an exciting soccer experience in the development of Green Bay's first soccer complex. This newsletter was put together by Marty Briggs.
