We Start May 12th Weather Permitting

Last month our building schedule was pushed back. Arnie Wolff Sports Complex building foundation plans have been approved and Scott Borkowski and the company he works for Holtger Brothers, have donated the necessary equipment for digging and the building construction. Scott will begin digging for the over excavation needed for the concession building foundation. (continued on page 2)

We will begin playing on the Arnie Wolff Sports Complex in June. We are asking everyone to avoid the construction areas for SAFETY REASONS.

AWSCAT Construction Cash Goal - \$40,000

Present Cash On Hand Is Near \$30,000. The Golf Outing and Bricks Are Important To Success

 (Continued from page 1)

Jacobs Construction will be forming the forms for the foundation and Peters Concrete will be supplying the concrete at a reduced cost for the benefit of the Green Bay soccer programs. Martell Construction will be laying the floor and flatwork. Scott Borkowski is the team leader for part one including the plumbing and electrical. Ken Paluch is the team leader for part II, which is the wall construction level. He will be organizing the mason team to put up the blocks. We will need a team of volunteers to assist this team. They will be wearing safety gear and will be lifting blocks and supplies for the masons. Marty Briggs is the team leader of the roof level which is part III. Probuild is providing the roof trusses at a reduced cost with Holtger Brothers providing the equipment to put the rafters in place. Pierce roofing is providing a team to install the roof sheeting and metal roofing. Scrays Doors and Laforce Doors will be the companies the doors are coming from. We have the Alex Wegner family working on the interior drywall for us.

Reminder: All workers, contractors and volunteers must sign liability waiver forms to work on the site. Absolutely no exceptions! Please contact Katrine Wygle if you would like to work on Saturday crews. Please see the attached calendar.

Due to the building schedule changes, the Wolff Classic is getting changed to Saturday July 21st. Deadline to register is July 6th

We understand the gift of your contributions are not to be taken lightly. We are planning to display a plaque on the concession building. It will give your company name or family a fitting area of presence to show the community of your kindness to the children of Green Bay, by supporting the construction of Green Bay's first soccer complex.

Before the final production of the plaque, your approval will be requested. We would like to thank you in advance.

SAFETY FIRST

All volunteers have to check in with our project manager, Katrine Wygle before they are allowed on the building site, or they may be asked to leave. We want to assure that everyone is observing safe practice.

Besides signing a liability exemption contract to work at the Arnie Wolff Sports Complex as a volunteer, it is imperative to wear the proper safety equipment. A hard hat, safety glasses, long pants, and safety shoes are required.

Hard hats and glasses are available at several local home building supply stores for under \$8 each. Ear plugs and gloves are recommended.

We are sharing the complex with several animal friends. Any Guess as to what animal it might be??? Someone said it is the Arnie wolf!

**Visit The Arnie Wolff Website To See More Pictures Of The Original Concession Building Plans And The Building. We Will Be Posting The New Plans Soon!
